Community Message By Deserie Perry

Dear Lost Dutchman Friends and Neighbors,
Happy February! I hope everyone is getting settled into the New Year. I'm off to a great start and looking forward to positive changes coming our way here at the Lost Dutchman Community. I again (for those of you who didn't meet her a couple of weeks ago at coffee), I want to give a warm welcome to our new Regional Manager, Melissa Dougherty. Melissa comes to us with much experience and has so many good ideas. With her help and direction, I look even more forward to the months ahead to see and participate in the anticipated progress here, and to see this community blossom. I hope you all know that I really care about the residents in this community. I believe whole heartily that Lost Dutchman has heaps of potential, and that working together we can make it an even better, and a more desirable place to live. That being said, I think I need to say thanks to handfuls of people. First of all I want to thank all the residents for inviting me and showing me such a great time at German Fest! What a great time was had by all who attended. I just couldn't believe what a great meal it was, the time and preparation must have taken forever. I could go on and on, the entertainment was great and the company was even better. I was even pulled out of my seat and pulled onto the dance floor. It was just a good time all together, so thank you for those of you who volunteered, and made the German Fest as wonderful as it could possibly be. I was definitely impressed! One more thanks to go out to the residents of this community. This is a big one. I haven't been at Lost Dutchman very long, and I'm sure I haven't held back at all telling you how much I like it here. I have had so many people come up and thank me for various things I have said or done, and for just being the manager here. I am so appreciative of this. You don't know how good it makes me feel to have people happy with the job I do. I know there will be ups and downs, but it's because of you working together with me, you're understanding, and the communication between us that really enables me to work with you, and for you, and for the better of the community. That also goes for questions, comments and concerns. I like those too, and it helps me do my job better as well.

Just a couple of reminders...

Speed limit is 15 MPH guys. Not 18 or 20 or 24 or 35. Let's keep it safe in here.

Don't forget NOT to give out you're gate codes. If you have, please come see me and let's change it.

Remember to bring me a check for you're Tax Pass On. I have received about 1/2 back at this time. March 1st is the cut off date for those checks to be brought into my office. SAY NO TO LATE FEE'S

ORDER TICKETS/SIGN UP FOR EVENTS EARLY! You all have an advantage as you know about events first. Don't wait until the last minute to get signed up, because it may be too late. Also, pay close attention to the cut off dates. Snooze you lose and that's no fun.

*The **PRIMROSE** is the flower for the month of February
